Welcome to JBI Endorsement

**JBI Endorsement is a recognition awarded to healthcare organisations that demonstrate commitment to evidence-based healthcare and an organisational-wide culture of innovation and excellence.**

JBI Endorsement can help provide your hospital, nursing home, clinic, or other healthcare service with the standards it needs to garner status as an organisation with the highest-quality healthcare practices.

As a JBI Endorsed organisation, not only will your organisation demonstrate credibility to patients, clients, practitioners and stakeholders but it will also benefit from a variety of other perks as a part of JBI's global movement in evidence-based healthcare.
